## PSO Partner

Fogra runs an international PSO Partner programme that allows qualified persons to leverage Fogra services around the world and to carry out the necessary audits on site.

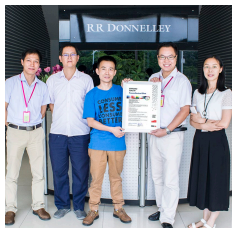

## PSO 合作伙伴

Fogra推行一個國際PSO合作伙伴計劃，旨在讓合資格的人士為全球提供Fogra之服務，以及進行實地PSO認證。

They can also carry out certification audits on site if they are associated to a certain partner who acts as intermediate between the professional and Fogra.

## PSO 專家
